

## **Breakfast Club**

### **We Need Your Help!!**

This year our Breakfast program is in crisis. To date, we do not have enough volunteers to run our breakfasts every day. We need at least two people each day to set up and serve breakfast to our students. Currently, we do not have enough people on Mondays and Wednesdays. We may have to reduce the number of days breakfast is served.

Our breakfast program has become a very important part of our students' school day. Children are more alert and function better when they receive proper nutrition. Our first year about 15 to 25 students participated per day. As our school population has grown this number has increased. Last year we averaged about 30 to 50.

Please consider helping with Breakfast Club. This could be one day a week, once a month or being on our substitute list.
