Tuesday September 25, 2018

Dear Oakley Park Families,

If you are hungry – this email is for you!

Tomorrow (Wednesday September 26<sup>th</sup>) the poutine truck is coming to Oakley Park. Students are welcome to bring \$5 for poutine (or fries and gravy, or fries). This event is brought to Oakley by our School Council and monies raised support the Oakley Park breakfast club and programs at Oakley Park.

Pizza is available for sale on SchoolCashOnline for the Open House next week, October 3<sup>rd</sup>. Paper orders (available in the office) are due this Friday September 28<sup>th</sup> and online orders are due Sunday September 30<sup>th</sup>.

This October, Oakley Park will be selling World's Finest Chocolates as a fundraiser for new school speakers in our gym. Our speakers are old, and no longer provide adequate sound for assemblies and school functions. The cost of new speakers will be approximately \$4000, and will provide Oakley Park with years of quality sound. I know our students, staff and families will notice a positive difference during school functions!

We will be selling cases of chocolate covered almonds; and cases of peanut and nut free chocolate boxes. Cases will be for sale through SchoolCashOnline or by bringing \$60 cash to the office. All cases can be picked up at our Open House on Wednesday October 3<sup>rd</sup>. Every case contains \$2 boxes of either almonds; or nut-free chocolates.

Due to allergies, all cases must leave Oakley Park sealed, and we will not accept returns of open cases. Participation in this fundraiser is voluntary. Please be reminded, that students are not permitted to have sales in public locations or go door-to-door. Thank you for your support of Oakley Park.

Sincerely,

Heidi Cameron Armstrong  
Principal
