OAKLEY PARK COMMUNITY WEEKLY UPDATE The Holiday Edition

Our week ended with an Empathy and Christmas themed assembly that was heartwarming, and inspiring! Oakley students and families have given generously to our community this Christmas season with donations and little acts of kindness – what a tremendous outpouring of generosity! 2017 has been a year of learning for all, and I would like to take this moment to thank all of our staff, our families, our volunteers and our school council members for joining in the learning at school and at home to make Oakley Park Public School a great place to learn and grow. Have a safe and healthy holiday and we look forward to seeing everyone back at Oakley Park on Monday January 8th 2018!

Did you know we sled at school?

Student safety is our first priority, and although we do allow “crazy carpets” and soft sleds at our school, we do not allow hard sleds, two-person sleds or snow racers. We do supervise sledding and we remind students of safety rules on a regular basis.

We want to inform parents that if students are sledding at school, Ophea (the Ontario Physical and Health Education Association) recommends that they should wear a properly fitted (as per manufacturer's guidelines) and properly worn CSA-approved hockey helmet or snow sport helmet certified by a recognized safety standards association.

If you send a sled and helmet (optional) to school with your child, you are giving permission for your child to take part in this activity.
