Do you (or someone you know) have a child who was born in 2014? If so, it's time to register them for Kindergarten! Elementary schools are now registering children for Kindergarten for the 2018-19 school year. Required registration documents include birthdate documentation, proof of address and immunization records. Visit www.scdsb.on.ca/kindergarten for more information.

Reminder about ice safety

During the winter months temperature swings can cause melting and freezing on the school field. Students are not allowed to slide on the ice for safety reasons. At school, students are aware of the school rule, and reminded as needed. Please remind your children to stay off the ice, and use designated walkways when coming to school and leaving at the end of the day.

Walking to school is great for students

Walking to school is a great way for your child to get the 60 minutes of daily physical activity that's needed for good mental and physical health. It also builds responsibility and independence, and helps them feel more connected to the community. More walkers means less traffic around our school, which helps keep students safe and improve outdoor air quality. Even one day a week of walking to school can make a big difference! To find out more about how to support active and safe routes to school through School Travel Planning, visit www.saferoutestoschool.ca/school-travel-planning.

Update your child's immunization record

The Simcoe Muskoka District Health Unit is required to keep up-to-date immunization records for all students who attend elementary or secondary school in the County of Simcoe and the District of Muskoka. Parents are responsible for reporting immunizations to the health unit each time their child receives a vaccine from their health care provider. The immunizations that the health unit requires records for include: diphtheria, tetanus, polio, measles, mumps, rubella, meningococcal, pertussis and varicella (chickenpox) for those born in 2010 or later. It's easy to update your child's immunization status. Go to www.smdhu.org/immsonline to update your child's record or call Health Connection at 705-721-7520 or 1-877-721-7520 (toll free).
