OAKLEY PARK COMMUNITY WEEKLY UPDATE Week of November 27th, 2017

Our student leadership team did a terrific job at today's Courage assembly. Did you know that our student leadership team is responsible for all the audiovisual for our assemblies, writes the scripts and helps in the planning for every assembly at Oakley Park? These students model COURAGE by being willing to step up and stand in front of our entire student body at assemblies in a variety of ways: as sound crew, masters of ceremony, and as part of our dance crew. Well done students! I would like to congratulate all of our Courage award winners this month – thank you for being role models within our school and for being courageous!

On Monday we will start the “12 days of giving” at Oakley Park. If you were at the assembly today you were treated to a special version of this song by our student leaders. The 12 days of giving is an opportunity to bring in 12 different items over 12 days to support Christmas Cheer. We will donate all donations to Christmas Cheer, which is for those in our community who need a helping hand at Christmas. Thank you for your support. Whether you can give a little or a lot, every little donation helps.
